EquestrianSport.tv is the official Live Streaming Video provider at the 2008 Syracuse Invitational Sport Horse Tournament. Watch the horse show free on Syracuse's Web Site [here](#).

If you are having trouble getting the stream to play with the embedded Windows Media Player, try this link instead to use Microsoft's newer Silverlight Player

Due to broadcast restrictions we will be unable to stream Sunday's Animal Planet Sport Horse Cup. The class will air on Animal Planet on January 10th at 3 pm.
